Pryor's Price List - 1942

Prices F.O.B. Salisbury, Md.

I believe strawberries are going to bring much higher prices for the next year or two and if you plant a field of them this Spring you will have a guaranteed income next Spring. Plants are short crop this year, in nearly all sections, owing to the dry unfavorable growing season and would suggest ordering early so as not to be disappointed as I doubt if there is sufficient plants to go around.

Strong, healthy, well rooted plants at reasonable prices plus prompt efficient service is my motto, and it is on this basis I bid for your orders again this year.
